

Call for Artist Proposals (Shake Rag Park Project):

ArtWorks, Inc. is collaborating with the City of Bowling Green to bring art to the new Shake Rag Park on the corner of 3rd Avenue and College St. (http://www.bgdailynews.com/news/city-makes-plans-for-shake-rag-park/article_a4f2d29f-d380-58e6-b6cc-dafca5a0c07e.html) The City plans to construct up to five walls with four foot limestone bases and engineers plan an artwork space of 4x30 ft to be filled with 4x4 panels. Currently, the City of BG is proposing to supply the 4x4 panels of 5/8 inch thick moisture-resistant Densglass sheathing that will be primed and prepped for use by the artist. The art will need to be of Bowling Green and Shake Rag theme. The art will be protected from the elements once installed in the park.
